CERTIFICATE OF CONFORMITY & PRODUCT WARRANTY

Certificate No: WC-TZC500-32UEN **Date:** 05-2023

1.0 MANUFACTURER

Wassalat Cables
Address: 10 Al-Azhar Street, Cairo, Egypt
Website: www.wassalat.net
Phone: +201013511565

This document certifies that the product detailed below, manufactured by Wassalat Cables, has been designed, tested, and verified to meet or exceed the specifications outlined herein.

2.0 PRODUCT IDENTIFICATION

Product Name: TZC-500 Coaxial Cable
Manufacturer Part Number: 1301-TZC 500 32 Uen
Batch/Lot Number(s): _____
Date of Manufacture: 05-2023

3.0 CERTIFICATION STATEMENT

The aforementioned product has passed rigorous quality control inspections and electrical testing conducted by our Quality Assurance Department. It is hereby certified for its intended applications based on its conformance to our approved technical specifications and the following performance characteristics:

- **Environmental Resilience:** Excellent resistance to corrosion, humidity, salinity, UV radiation (sunlight), and moisture ingress.
- **Signal Integrity:** High-efficiency signal transmission with low attenuation (loss), consistent impedance, and superior shielding effectiveness.
- **Mechanical Durability:** Robust construction ensuring reliable insulation, tensile strength, and crush resistance for critical applications.
- **Safety Compliance:** Flame-retardant and fire-resistant properties, compliant with IEC 60332-1 .
- **Application Suitability:** Certified suitable for use in **Marine (Shipboard)** and **Military** applications, designed to perform in harsh environmental conditions.

4.0 WARRANTY TERMS

Wassalat Cables guarantees this product against defects in materials and workmanship under normal use and service for a period of **five (5) years** from the date of purchase by the end-user.

4.1 Warranty Coverage:

This warranty covers failures attributable to:

- Manufacturing defects.
- Degradation of performance due to exposure to lightning-induced surges (where properly grounded).
- Damage from prolonged exposure to sunlight (UV), rain, and humidity.
- Fire resistance failure under standard specified conditions.

4.2 Warranty Limitations & Exclusions:

This warranty shall not apply to damage resulting from:

- Misapplication, improper installation, or abuse.
- Modification, repair, or alteration not performed by Wassalat Cables.
- Operation of the product outside its published specifications and environmental limits.

4.3 Claim Procedure:

To make a warranty claim, the purchaser must:

- Notify Wassalat Cables in writing within 30 days of discovering the defect.
- Provide a copy of the original purchase invoice and this certificate.
- Return the product, freight prepaid, to the address above for evaluation.

Upon confirmation of a covered defect, Wassalat Cables will, at its option, either repair or replace the product at no charge.

5.0 WARRANTY INFORMATION

Wassalat Cables warrants the product for **five (5) years** from the date of purchase by the end-user.
